

Turbonegro, Zillion Dollar Sadist

I used to be such a welfare stoner
I used to be such a twilight zoner
I used to be such a moneybumming boozier
I used to be such a masochistic schmoozer
But now I'm worldwide-
You know that I made it
I'm above the law -
I'm the zillion dollar sadist
Zillion dollar sadist
What do you want what do you want for nothing baby
What do you want what do you want for free
I tell you what you need
It's some Hanky-action baby
I wanna hear you scream in denim ecstasy
Yes indeed
Cause now I'm worldwide-
You know that I made it
I'm above the law -
I'm the zillion dollar sadist
Zillion dollar sadist
Well c'mon
(Solo)
Yeah now I'm worldwide-
You know that I made it
I'm above the law -
I'm the zillion dollar sadist
Take it to the bridge
I promise fun
To all and everyone
No questions asked
It's gonna be great
A new dimension of joy
Do anything you wanna do. (repeat till end)
