

# Turin Brakes, Lost & Found

lonely, long distance runnings  
aimless travellers  
you'll find us, you'll find us

in the lost and found  
in the lost and found  
in the lost and found  
in the lost and found

practise, painless  
homeless and poitnless  
you'll find us, you'll find us

in the lost and found  
in the lost and found  
in the lost and found  
in the lost and found
