(Turk)

You can take me out the ghetto but can't take the ghetto out me

So I hope I'm not too ghetto

I can't help it if I'm Hollyhood
Gotta respect that I keep it ghetto 'cause it's all good

And I f**k with them ghetto hoes

I love them ghetto bitches who pop x and smoke dro

And I run with them ghetto niggaz

Gettin' it how they live in the ghetto just bout their figures

Nigga the ghetto took me under and it swallowed me
Since fourteen the wrong niggaz got at me

Nigga I walk ghetto talk ghetto act ghetto

And it's a true fact nigga cause I'm that ghetto

A young fellow guess I'm married to the streets

Born and raised a soulja M-A to the G Nolia
Uptown and that three, I'ma represent that 'till I'm six feet deep

(Chorus: Turk)

I keep it ghetto ghetto (Uh uh)

If you know me, if you know me, you know I..

I keep it ghetto ghetto (Uh uh)

If you know me, if you know me, you know I..

I keep it ghetto ghetto (Uh uh)

If you know me, if you know me, you know I..

I keep it ghetto ghetto (Uh uh)

If you know me, if you know me, you know I..

(Turk)

All I know is the ghetto

I came up hard my nigga in the wards of the ghetto

Raised by the streets taught to survive

Keep it real with your niggaz ghetto niggaz worldwide

And when one ride we all ride by all means

Be ready to spray things like the 18 you know what I mean

We stick together in the ghetto

Cock it back and slang metal in the ghetto

Violators get executed and knocked off
Out of line and not in place ??

We make our own laws nigga in the ghetto

Ho cope in the streets in the ghetto
F**k the cops we don't roll like that

If you do you get smoked like that in the ghetto

Take it from me and my project ways

'Cause I'm so project with my project ways

(Chorus)

(Turk)

I'm lil' Turk and I'm ghetto to the bone grizzle

Thuggin' is in my blood my nigga

I'm dedicated yes I'm true to the ghetto

Holla back if you hear me nigga hello

I love this live, you love this life, I love this life

I'd be lying if I said that I didn't
In the ghetto, where I got my stripes at

Took a nigga life laid him flat on his back

Sold weed, sold dope, sold crack in the ghetto

?? that's where it's at in the ghetto

It be goin down supersonic in the ghetto

Second lines buck jumpin' in the ghetto

Dont be caught slippin' late at night

'Cause them niggaz in the ghetto look they ain't right

In the ghetto, only the strong will survive
If you weak you weak nigga don't ask me why

(Chorus)

(Turk talking)

Uh uh, it's like that, Laboratory Records nigga

And it's like that, nigga gon' respect that LB, you understand

My nigga Kenoe! Young Turk, 2003, rehabilitated
