

Turner Core, I Need The Sun

It's so amazing how you make me so crazy.
I can't get enough of you.
You're so beautiful; I get lost in you
And all that you do.

Well it's so enchanting and everlasting
Every time I'm with you.
Thinking of you completes my day
You take me away.

""And I don't want to be the one to say.
""I just don't know how to say.

""""Don't fall down today.
""""I just couldn't take it!
""""You're all I've ever wanted.
""""You're all I'll ever need.
""""Just like I need the sun,
""""You light my way
""""...today.

And you're so sweet. You're the girl of my dreams.
You're the one that I need.
You're so perfect in every way,
And I can't wait to see you again.

You're so astounding and overwhelming
I'm just so caught up in you.
For once in my life I know for certain
I need you.

""And I don't want to be the one to say.
""I just don't know how to say.

""""Don't fall down today.
""""I just couldn't take it!
""""You're all I've ever wanted.
""""You're all I'll ever need.
""""Just like I need the sun,
""""You light my way
""""...today.
