

# Turner Core, Let Down

Time has finally come where things aren't so easy.  
Sitting there like you don't know me.  
Maybe someday I'll think you are crazy,  
But I'll just spin around for now.  
I'll spin around. I'll spin around.

Woah, I need this.  
Just like old times when you scurried around in the basement.  
You fell on the floor, and I thought to myself why don't you ever  
Think about this? With no remorse I asked for more.  
It's my turn to figure things out, but I don't care.

""""It's not like turning corners.  
""""I won't look out for you.  
""""You scurried around, and then you fall.  
""""It's not right.

""""""""You're flying through a let down. I think I just got let down.  
""""""""I'm gonna fly away, I'm gonna fly fly fly away.  
""""""""You're flying through a let down. I think I just got let down.  
""""""""I'm gonna fly away, I'm gonna fly fly fly away.

No, I don't care. Sooner or later I'll go away.  
Until then, close your eyes, drift far away, above the clouds:  
Where I'll be. Just like a dream. Why can't you see? Stop staring.  
Finding yourself can be hard sometimes. Is something wrong (something wrong)?

""""It's not like turning corners.  
""""I won't look out for you.  
""""You scurried around, and then you fall.  
""""It's not right.

""""""""You're flying through a let down. I think I just got let down.  
""""""""I'm gonna fly away, I'm gonna fly fly fly away.  
""""""""You're flying through a let down. I think I just got let down.

Sometimes things can bring you down.  
Ignorance is bliss until you're on the ground.  
I guess I'll never know what you're going through.  
I guess I'll never know what you're willing to do!
