

TV On The Radio, Modern Romance

Don't hold on
Go get strong
Don't you know
There is no
Modern romance

Time, time is gone
It stops, stops who it was
I was wrong
It never lasts
There is no
This is no
Modern romance

In time, time is gone
It never lasts (Stops)
Who it was
I was wrong
It never lasts
And this is no
There is no
Modern romance
There is no
Modern romance
This is no
Modern romance
There is no
There is no
There is no
