

# TV On The Radio, Wolf Like Me

Say say my playmate  
Won't you lay your hands on me  
Mirror my malady  
Transfer my tragedy

Got a curse I cannot lift  
Shines when the sunset shifts  
When the moon is round and full  
Gotta bust that box gotta gut that fool

My mind's aflame  
We could jet in a stolen car  
But I bet we wouldn't get too far  
Before the transformation takes  
And blood lust tanks and crave gets slaked

My mind has changed  
My body's frame, but God I like it  
My heart's aflame  
My body's strained but God I like it

My mind has changed  
My body's frame, but God I like it  
My heart's aflame  
My body's strained but God I like it

Charge me your day rate  
I'll turn you out in kind  
When the moon is round and full  
Gonna teach you tricks that'll blow your Mongrel mind

Baby doll I recognize  
You're a hideous thing inside  
If ever there were a lucky kind it's  
You you you you

I know its strange, another way to get to know you  
You'll never know unless we go, so let me show you  
I know its strange, another way to get to know you  
We've got to move, here comes the moon  
So let it show you, show you now

Dream me, oh dreamer  
Down to the floor  
Open my hands and let them  
Weave onto yours

Feel me, completer  
Down to my core  
Open my heart and let it  
Bleed onto yours

Feeding on fever  
Down on all fours  
Show you what all the  
Howlin's for

Hey hey my playmate  
Let me lay waste to thee  
Burned down their hanging trees  
It's hot (here) hot (here) hot (here) hot (here)

Got a curse we cannot lift (We're howling forever)  
Shines when the sunshine shifts (We're howling forever)

There's a cure comes with a kiss  
The bite that binds the gift that gives (We're howling forever)

Now that we got gone for good  
Writhing under your riding hood (We're howling forever)  
Tell your gra'ma and your mama too  
It's true true true true

(We're howling forever, oh oh)  
(We're howling forever, oh oh)  
(We're howling forever, oh oh)  
(We're howling forever, oh oh)  
(We're howling forever, oh oh)
