

Twarres, Mr. Man

Hey mister Man I really do think you should go now
I really don't want to be with you,
You know, so go now.

Chorus

Hey mister Man

You've got to leave

I don't believe you

Just understand me

You've been here for a long time, so move on

Find yourself a new place, where you belong

Chorus (2x)

Hey mister Man (Go now.)

Hey mister Man (Go now.)

It's time for you to understand

Forget about it Mr. Man (2x)

Oh, Oh, Oh, go mr. Man

Oh, oh, oh, go now (2x)
