uhhhmm
oohhhmmmm
I can sing about love lost
but what if theres no love to loose
If everyday I saw sunshine and it
it never rained the blues
if my fear were tears I wonder
could they fall
if a smile could stretch a mile even if
I had no money at all
but I'm willin to take whatever life brings
cuz you're the only one that seems to know me
and even if the bad times call
if I had ya back
I wouldn't complain at all

(Chours)
I wouldn't complain at all
I wouldn't complain at all
I wouldn't complain at all
I wouldn't complain at all

(Verse 2)

I could dream about tomorrow
even if its still today
I'd wear down my knees every night even if
I had no hands to pray
if my freinds were dead and gone (dead and gone)
leaving me here alone
Could I depend on some spirit to ease me
but my soul is on its own
if my eyes were blind and I couldn't feel at all but see
nothing in this world but you complete me
and even if the bad times call
if I had ya back
I wouldn't complain at all

(chours)

I wouldn't complain at all
I wouldn't complain at all
I wouldn't complain at all
I wouldn't complain at all

Come back to me (ya hey)
Ohhhhhhhhhhhhhhh
if you just hang out with your boys
I wouldn't complain(i wouldnt complain at all)
I wouldn't make a fuss no not a noise
I wouldn't complain(I wouldnt complain at all)
leave your socks on the dresser and no in the drawer
I wouldn't complain(I wouldnt complain at all)
just as well if you wanna watch ya favorite sport baby
I wouldn't complain(I wouldnt complain at all)
Change my way of living
I wouldn't complain(I wouldnt complain at all)
Show you much understanding
I wouldn't complain at all
for you ohhhhh oh oh o
I wouldn't complain at all
promise I'll love you more

(repeat chorus until fade)
