

Tweet, Love Me

Album: Indecent Proposal

Artist: Timbaland & Magoo

VRS1:

What a revelation (lation)
you're the reason that I breathe
Innocent creation
I can use you as I please
The only one to tell my story
when words are hard to catch
of all that comes with fame and glory
You let me rock you best

HOOK:

oooh
oooh wee
oooh
oooh wee
oooh
oooh wee
oooh ooh oooh ooh

V2:

Such a sensation (sation)
Hypnotizing melody
No limitations
I can stroke your every key
And you give me that do-re-mi-so
And sometimes double time
And sometimes you love me nice and slow
Makes me wanna sing this rhyme

HOOK:

oooh
oooh wee
oooh
oooh wee
oooh
oooh wee
oooh ooh oooh ooh

BRIDGE: (ROBOT SINGING)

I do love ya
I do
don't you love me too
don't you love me too
(2x)

I love ya
I do you love ya
Yes I do, yes I do

Can you love me tonight?
