

TWENTY ONE PILOTS, Fall Away

[Chorus]

I don't wanna fall, fall away
I don't wanna fall, fall away
I'll keep the lights on in this place
'Cause I don't wanna fall, fall a—way (la, da, da, da, da)
I don't wanna fall, fall a—way (la, da, da, da, da)
I don't, I don't wanna fall away (la, da, da, da, da)
I will keep the lights on in this place (la, da, da, da, da)
'Cause I don't wanna fall, fall away

[Verse 1]

I disguise and I will lie
And I will take my precious time
As the days melt away as I stand in line
And I die as I wait as I wait on my crime
And I'll try to delay what you make of my life
But I don't want your way, I want mine
I'm dying and I'm trying
But believe me, I'm fine, but I'm lying
I'm so very far from fine

[Pre-Chorus]

And I, I can feel the pull begin
I feel my conscience wearing thin
And my skin, it will start
To break up and fall apart

[Chorus]

—way (la, da, da, da, da)
I don't wanna fall, fall away (la, da, da, da, da)
I don't wanna fall, fall away (la, da, da, da, da)
I will keep the lights on in this place (la, da, da, da, da)
'Cause I don't wanna fall, fall away

[Verse 2]

Every time I feel selfish ambition is taking my vision
My crime is my sentence, repentance is taking commission
It's taking a toll on my soul, I'm screaming submission and
I don't know if I am dying or living
'Cause I will save face for name's sake, abuse grace
Take aim to obtain a new name in a newer place
But my name is lame, I can't walk and I ain't the same
And my name became a new destiny to the grave

[Pre-Chorus]

And I, I can feel the pull begin
Feel my conscience wearing thin
And my skin, it will start
To break up and fall apart

[Chorus]

—way (la, da, da, da, da)
I don't wanna fall, fall away (la, da, da, da, da)
I don't wanna fall, fall away (la, da, da, da, da)
I will keep the lights on in this place (la, da, da, da, da)
'Cause I don't wanna fall, fall away

[Outro]

La, da, da, da, da
La, da, da, da, da
La, da, da, da, da
La, da, da, da, da
La, da, da, da, da
La, da, da, da, da
