

# TWICE, MOONLIGHT SUNRISE (English)

Oh, yeah  
I guarantee I got ya

I've been craving for your love  
Can't see nobody but us (Can't see nobody but us)  
So I, so I, so I

See you from across the room  
Make my way over to you (My way over to you)

I'm trippin' over butterflies

[Refrain: Nayeon, Mina]

Oh, yeah

Baby, I don't really mean to rush

But I'ma really need your touch

If I'ma make it through the night

I got the moonlight

Tequila sunrise

Uh, come take a shot on me, I got ya

I don't know how to say this  
I hope this song's on your playlist  
This feeling's so hard to explain  
I don't even know how to talk right now  
It's "I need you" o'clock right now  
I want you to hear me say

Moonlight sunrise

Baby, come be my starlight

Moonlight sunrise

Oh, baby, just to make you stay

Moonlight sunrise

Baby, let's do it all night

Moonlight sunrise

I guarantee I got ya

Loving undefeated, on your knees pleading  
Baby, you can hit up my line when you need it  
Said that you tried? Baby, you succeeded  
Got a craving, baby, can you feed it?  
Took a trip under moonlight  
Follow me to the sunrise  
Everyday, every night  
Ayy, come with me, don't think twice

Oh, yeah (Oh, yeah)

Baby, I don't really mean to rush

But I'ma really need your touch

If I'ma make it through the night

I got the moonlight

Tequila sunrise

Ha, come take a shot on me, I got ya

I don't know how to say this  
I hope this song's on your playlist  
This feeling's so hard to explain  
I don't even know how to talk right now  
It's "I need you" o'clock right now  
I want you to hear me say

Moonlight sunrise

Baby, come be my starlight

Moonlight sunrise

Oh, baby, just to make you stay

Moonlight sunrise

Baby, let's do it all night

Moonlight sunrise  
I guarantee I got ya

Cards out on the table, what you say?  
I need you, you need me, you're mine  
I'm your moonlight, you're my sunrise, babe  
I guarantee I got ya

Moonlight sunrise (Oh)  
Baby, come be my starlight (Oh, yeah)  
Moonlight sunrise  
Oh, baby, just to make you stay (Oh, yeah)  
Moonlight sunrise  
Baby, let's do it all night (Baby, let's do it all night)  
Moonlight sunrise (Oh, yeah)  
I guarantee I got ya (Oh-oh)
