

# TWICE, Strategy (feat. Megan Thee Stallion)

Hey boy, I'ma getcha, I'ma getcha real good and I betcha  
Hey boy, once I getcha you'll be oh so glad that I metcha  
Ah-oh!

Step 1

Do my highlight

Make me shine so bright in the moonlight

Step 2

Silhouette tight

Baby, even my shadow looks good right?

Step 3

When I arrive

Make you look my way with your heart eyes

Step 4

Get you on the floor

Make ya say more, more, more

When I say hi

I'm feeling all your attention on me

Hi no reason to be so shy with me

I ain't gonna bite come on over (No)

I know you wanna move a little closer (Yeah)

I got a plan to get you with me (Ah)

I got you on my radar soon you're gonna be with me

My strategy, strategy will getcha, getcha baby

Winning is my trademark soon you'll never wanna leave

My strategy, strategy will getcha, getcha baby

Hey boy, I'ma getcha, I'ma getcha real good and I betcha

Hey boy, once I getcha you'll be oh so glad that I metcha

When your cheeks go red (That's cute)

I wanna dance you said (Oh, cool)

'Til I'm in your head (It's cruel)

And you can't forget

You're feeling things now and you're confused

Watching my body getting loose

You don't know what you're gonna do

You're mine

When I say hi

I'm feeling all your attention on me

Hi no reason to be so shy with me

I ain't gonna bite come on over (No)

I know you wanna move a little closer (Yeah)

I got a plan to get you with me (Ah)

I got you on my radar soon you're gonna be with me

My strategy, strategy will getcha, getcha baby

Winning is my trademark soon you'll never wanna leave

My strategy, strategy will getcha, getcha baby

Real hot girl sheeee

Do you like that

When I smack it and you watch it bounce it right back

He really lost it when he saw me do the right left

I'ma man eater you just a light snack

I got him pressed like he's workin' on his triceps

I'ma flirt, I'ma tease baby hurt after me

Tell 'em baby what's a player to the GAME

Sayin' need the word by him bringing me to the beach

Jealous? Who? Girl, please

Left, right, left, right, do it to the beat  
Talk with my body that's my strategy  
Other girls tryin' but I'm really hard to beat  
He'll be mine off my strategy  
Left, right, left, right, do it to the beat  
Talk with my body that's my strategy  
Other girls tryin' but I'm really hard to beat  
He'll be mine off my strategy

My strategy, strategy  
Like gravity, gravity  
One look at me, look at me  
I betcha, betcha, betcha boy  
You'll be down on your knees  
Calling me up begging me don't leave  
My strategy, strategy  
Will getcha, getcha, getcha boy
