

TWICE, The Feels

Boy, I
Boy, I
Boy, I know
I know you got you feels
Boy, I
Boy, I
Boy, I know

I am so curious
About you boy
Wanna keep it cool
But oi know everything you move got me frozen
I get so shy
It's obvious
Catching feels like butterflies
If i say what's on my mind
Would i hit bullseye?
Shoot
I am aready – aim and fire

Baby, i feel like cupid's alive
Alive tonight, yes!, tonight!
If your heart beats the same say
Lert me know
Cause i am boom boom boom
From thead to toe and I

I know love it's such a funny thing
A mystery allure
Gotta get to know you more
Cause iu , u can feel a real connection
A supernatural attraction
I fot the feels for

You have stolen my heart
Never let it go
No, never ler it go
Lightening straight to my heart
I got all the feels for sure
I gor all the feels tfor you

Boy, I
Boy, I
Boy, I know
I know you got you feels
Boy, I
Boy, I
