

TWiiNS, Sagapo

I send you my love
Sagapo, sagapo, now
So you'll be dreaming of me
Send me all your love
Sagapo, sagapo, now
So I can feel it on me

I am looking for love
So pappy bring more
To keep me movin'
Ale, ale
So make sweet move
On and on
Down we go in
Ale, ale

From the window
To the wall
To the roof
My body move to vibe
And wants more
Give it to me right, baby
Don't stop
Don't you let me go

I send you my love
Sagapo, sagapo, now
So you'll be dreaming of me
Send me all your love
Sagapo, sagapo, now
So I can feel it on me
