

Twilightning, Space Of Disgrace

' Hey honey, believe me
You wanna spend this night with me
The money, you hear me?
Some things I can gaurantee. '

Old snobbie, strange hobby
Making a mess in a fancy dress

Hey, show me the space of disgrace, where I could float
Let me spin, with the sin, with the show

Too stunning, they caught him
Selling souls with a gentle grin
Keep running, they just bought him
Swallowed every little sin

Old snobbie, strange hobby
Making a mess in a fancy dress
Just follow, and swallow
Shaking his ass for a little cash

Hey, show me the space of disgrace, where I could float
Let me spin, with the sin, with the show
Show me the space of disgrace, and let me spin
So exposed, indisposed, with the sin
