

# Twin-A, Better

Don't tell me that you love me  
I know that it's not true  
Don't say that I'm the only  
'Cause I am on to you.

Maybe that's your reason  
For treating me so bad.  
Well I hope that it was worth it  
And I hope that you are glad.

Please,  
Stop,  
Leading me on.  
'Cause I  
Can't  
Take anymore  
We both know that I  
I deserve better.

Did you know I loved you  
So much I scared myself.  
And I could never see you  
In the arms of someone else.

But I'm such a foolish lover.  
You're such a drama queen.  
I can't make you happy  
You just don't wanna be.

Please,  
Stop,  
Leading me on.  
'Cause I  
Can't  
Take anymore  
We both know that I  
I deserve better.

Don't tell me that you love me  
I know that it's not true  
Don't say that I'm the only  
'Cause I'm on to you.  
I am on to you.  
I am on to you.  
I am on to you.  
I am on to you.

Don't tell me that you love me  
I know that it's not true  
Don't say that I'm the only  
Cause I am on to you.
