

# Twin-A, Safety Net

How's it gonna be when I'm not there to catch you?  
Catch you when you fall the way you do.  
When you hit the ground just like a dead weight  
You'll know exactly how it feels to be with you

I think I have been more than patient  
I think I have been more than fair  
Please don't patronize me with your excuses  
I've been made unaware

How's it gonna be when I'm not there to catch you?  
Catch you when you fall the way you do.  
When you hit the ground just like a dead weight  
You'll know exactly how it feels to be with you

I have been a crutch the one you lean on  
I have always been your safety net  
You can say that I hardly know you  
I'm willing to bet

How's it gonna be when I'm not there to catch you?  
Catch you when you fall the way you do.  
When you hit the ground just like a dead weight  
You'll know exactly how it feels to be with you  
When I'm with you

You don't know what you do  
How it feels when I

How's it gonna be when I'm not there to catch you?  
Catch you when you fall the way you do.  
When you hit the ground just like a dead weight  
You'll know exactly how it feels to be with you

How's it gonna be when I'm not there to catch you?  
Catch you when you fall the way you do.  
When you hit the ground just like a dead weight  
You'll know exactly how it feels to be with you  
Exactly how it feels when I'm with you  
That is how it feels to be with you  
Exactly how it feels when I'm with you
