

Twin-A, Sucker

Well I know you don't think much of me,
Although you say that it's in my head.
But it's apparent in your blatant disregard for me-
Apparent when we lie in bed...

And I lie awake half the night,
Trying to be a better man,
And then I toss and turn in my regrets
Thinking you might understand.

But I will make you love me or die trying -

Because you make me feel so worthless
And yet so inspired
I will never be quite good enough
And the damage that you do turns into
blind desire
I am just a sucker for your love.

So you run around with your crown of thorns,
But don't think I haven't got mine.
I know you found it hurts the ones
And everything you left behind.

But I will make you love me or die trying -

Because you make me feel so worthless
And yet so inspired
I will never be quite good enough
And the damage that you do turns into
Blind desire
I am just a sucker for your love.

You just don't seem to know
Where I am coming from
Where I am-

But I will make you love me or die trying -

Because you make me feel so worthless
and yet so inspired
I will never be quite good enough
And the damage that you do turns into
blind desire
I am just a sick and twisted fuck,
I am just a sucker for your love.
