(feat. Kanye West, Jamie Foxx)

[Luther Vandross]

Are you gonna be
Say that you're gonna be

[Jamie Foxx]

[Jamie Foxx - Chorus]

She said she wants some Marvin Gaye, some Luther Vandross, a little Anita, will definitely set this
(Are u gonna be, are u gonna be, are u gonna be, are you gonna be are you gonna be, well well well)
She said she want some Ready for the World, some New Edition, some Minnie Ripperton, and definitely
(Are u gonna be, are u gonna be, are u gonna be, are you gonna be are you gonna be, well well well)

[Kanye West]

I told her to drive over in your new whip
Bring some friends you cool with
Imma bring da cool whip
Then I want you to strip
See you is my new chick
So we get our grind on
She be grabbin, callin me Biggie like Shine home
Man I swear she fine homes
Why she always lying though
Tellin me them diamonds when she know they rhinestones
She got a light skinned friend look like Michael Jackson
Got a dark skinned friend look like Michael Jackson
I play 'Ready for the World' - she was ready for some action
My dawg said you aint no freak, so you got to prove my man wrong
I'm a play this Vandross
You gon' take your pants off
Imma play this Gladys Knight
Me and you gon' get right

[Chorus X2]

[Twista]

Got you lookin at the gliss at my hands and wrists
While i'm layin back smokin on my canibus
When it come to rockin the rythm like Marvin and Luther
I can tell you aint no messin with Kan-man and Twist
From the Chi and I be
Sippin Hennessy
Play some R&B
Tryina smoke a B
Lookin properly
Feelin on a G?
And always (Well Well Well Well Well)
Come with me and sip on some Evelyn Champagne
You aint know Twista can work it like the Whispers
Hit the stop light, get into some Isaac
The rims still moving so I'm bumping a little spinners
While I'm
Smokin on a B
Dippin through the streets
Bumpin R&B
And I got to leave
something to the 23's?
And I do it (well well well well well)
When my earth and the wind smoke a fire
Let me when get your sheets wet listening to Keith Sweat
Put you in a daze for maze
Fullfilling our every temptation slow jamming having deep sex

You ready for the world girl
Come on over make me touch you all over your body baby don't say no to me
An every moment you controllin' me I'm lovin the way you be holding me when I be listening to Jod
And when I come over and bend your ass
You be bumpin Teddy Pendergrass
I'da hit it from the back to the melody to roll it slow
Now I gotta go up in it fast, but imma finish last
No matter how much of a thug you see
I still spit it like it's R&B, so to the club with me
And with some Luther come on and hope you finna and stilla be in love with me

[chorus X2]

[Twista]

Baby drop another slow jam
And all us lovers need hold hands
And if you aint got no man hop up in my Brougham
I keep it pimpin like an old man
You gots to roll with the plan
Cuz after that then I
Take it to the dome
Then I got to bone
Stay up in the zone
Got to get you home
Gotta run up on
And I do it (well well well well well)
Baby drop another slow jam
And all us lovers need hold hands
And if you aint got no man hop up on my brohem
I keep it pimpin like an old man
You gots to roll with the plan
Cuz after that then I
Take you to my home
And we could get it on
Disconnect the phone
Just to get you goin'
Tryina make you moan
And I do it (well well well well well)
