Twista & The Speedknot Mobstaz, Mobstability

(Liffy Stokes)

Ninéteen ninéty muthaf**kin' eight Mobsta elite's back up in this muthaf**k 'em (Bitch) And we airin' out all you playa hatin lame ass niggas And we on this laid back track something smooth Eh yo Mayz whatcha don' do kick it

(Mayz)

And ride on niggas get your high on While we pump this shit to vibe on The muthaf**kin' mobsta elite'll leave you breathless When we hit you like this Early in the morning, hop into the Chevy Caprice I'm hurtin', so I'm thinkin of ways to gettin' paid Cheddar in a bundle, fifties and hundreds and G stacks If I could just hit that big lick I could relax And ease back off of thuggin' and stick to hustlin' Concentrate on paper and let the shorties do the bustin' While I motivate on power moves, you live be coward rules Singing the blues while I pack shit that'll knock you out your shoes 'Cause I'm a fool playing the game of the streets Claiming elites, making sure my family eats We roll and it flees, bunkin' niggas out of their seats While mobbin' on beats, soon niggas can't back down or retreat Preventing mine, just doing petty crimes, I'm not petty or nice Standin' in line, calmly waitin' on my time to shine 'Cause when I shine, I'ma glisten As all the heads come up missing I'ma slide in and assume the position My mom's stick thick, who the killas and convicts Bulletproof now, pistol holsters under the arm pits Ready to go out in the blaze of glory Standin' firm on the deck makin' the front-page story

(Chorus)

When your mobs' at your side and they're ready to ride, nigga (Nigga, that's mobstability) And when you go from movin' O's to keys for more cheese (Fool, that's mobstability) And when it's money over bitches 'cause you're stackin' your riches (Playa, that's mobstability) Gettin' your mind right for payin' for the year 2G (Gotsta be mobstability)

(Liffy Stokes) I heard a raw beat, somebody told me the funk did it But if Trax didn't do it I can't f**k it 'Cause it's a family thang

You know Chi-Town's the motherland of the wild The chain of mobsters and gangs But we're the elite few that just can't be contained Tippin' only the plane, determine it's about the game Like a playa stays the same, ain't tryin' to act strange to change 'Cause the more paper you got, the more you got to slang And there's more haters to bang 'cause they all want a piece You got to be slick as grease 'cause they want the playas deceased Restin' in peace But my motto's simply too tight for you to threaten my life With a knife, gun or mic You don't really wanna fight so just swallow your pride Before I come inside your crib and kidnap the shorty and bride Every nigga alive wish he had a psycho status Will your punks ready to ride so the bitches can come at us In the city of thugs, police, politicians and drugs If they ain't passin' the bubble, niggas carry a grudge, but no love So I don't give a muthaf**k if you killin' me I'm pissin' out headshots, protestin' my mobstability

(Chorus)

(Twista) If I'm not into nothing, I don't feel right So I circle the block strapped Watching the workers while they circle muthaf**kas at night They work to tippin' me 'cause dope fiends ain't wangers' These wanches are skanches, this ain't just how the cracks and hiatus My crew react tamers than sweat hogs, to protect that (?) bomb But no teflon, your flesh was tearin', for the love of this heron I bare arms and I'm quick to snatch cards to those who react hard Don't judge these, got you robbed, I'ma get more cheddar for my black mob My legion is broke down into sections to run every regions Slugs and thugs, rifles for rifles 'cause we walk every season Having shootin' apartments, cars with hidden compartments for po-pos Zip polos holding pistolos and mobstas know those Sooner then booted, looted then zooted, (?) shoes so can I Automatics but semi, then I, watches your midnight 'Cause I be handlin' my function when the nine-milliter get to jumpin' Dumpin' on niggas who claimin' my muthaf**kas ain't worth for nothin' I'm bustin', how's game I peep when I was a shorty Having big dreams on money, cars and bitches by the time I reach forty Nation affiliation, dummy paper-chase and willin' For pay probabilities only seen through mobtability, feelin' me

(Chorus)
