

# Twisted Sister, I Believe In You

Why does no one seem to understand  
That it's more than love I need  
It's so hard to keep your faith alive  
When nobody else believes  
Oh I need someone there for me  
Need someone who can see  
Need someone to show me  
Ohh, that they are there to help me fight  
If I fall, to set me right  
Someone there to hold the light  
Won't someone say  
I believe in you  
I believe in you  
I believe in you  
I believe in you  
It's so hard to do it all yourself  
Fighting for your dreams alone  
When the toy's upon the highest shelf  
A child's tears soon become stone  
Oh why does no one lend a hand  
Why does no one understand  
Why I need to make a stand  
Ohh, it's so hard to carry on  
When all your hope is gone  
All your dreams have come undone  
I need to hear  
I believe in you  
I believe in you  
I believe in you  
I believe in you  
Why won't someone say these words  
Are they really so absurd?  
Must they always go unheard?  
Ohh, if someone needed the light  
I'd be there to help them fight  
If they fell, I'd set them right  
And then I'd say  
I believe in you  
I believe in you  
I believe in you  
I believe in you  
I believe in you  
Won't someone say I believe in you  
I believe in you  
Won't someone say I believe in you  
I need to hear I believe in you  
I believe in you
