

# Twisted Sister, If That's What You Want

Now I think of you as I listen to my radio  
And it takes me back to a place and time not long ago, my rock 'n' roll  
We used to rock, oh how we rocked our nights away, remember  
And though I long, oh how I long for yesterday  
But that don't change the way I'm feelin' today

If that's what you want, if that's all you need you can have it, baby  
Have it, baby, without me

Say you needed more, said you wanted things that I can't give, ha  
Well, show me what you've got and tell me is that how you wanna live  
Once what we had, really that bad wasn't that wrong, tell me  
Now all you've got, look what you've got is your own song  
And your memories while you sing it along

If that's what you want, if that's all you need you can have it, baby  
Have it, baby, without me  
If that's what you want, if that's all you need you can have it, baby  
Have it, baby, without me

And remember how life would flow while listenin' to the radio  
We've lived and loved and played and the song shall last away  
Now I wonder what the king would have to say, yeah
