

# Twisted Sister, Lady's Boy

So, you need the service of a man

I can do what any grown man can  
Don't be fooled, I've got a deadly toy  
Well, I'm a wayward child, I'm a lonely boy  
Oh, you think I look like a little boy  
I'm a lady's boy and I'm a bundle of joy  
Now listen here

Flesh and hot, my wares aren't hard to sell  
See my hips, I sure can use 'em well  
You want me to fill your mind's desire  
Submission and love will douse your fire  
(CHORUS:)

I'm a lady's boy and I'm a bundle of joy  
Well, I'm a wayward child, I'm a lonely boy  
Well, I'm a thing of love, I'm a deadly toy  
A lady's boy and I'm a bundle of joy

Aah, suck it

(Solo - Eddie)

Oh, you think I'm far too young to do

I will show you things you never knew  
I see you squirm, your palms begin to sweat  
Don't resist, you'll love me hot and wet  
Feel my power to put you in a whirl

Oh, woman maybe, to me you're just a girl

(REPEAT CHORUS)

A deadly toy, a deadly toy, aah

Aah, won'tcha come up and see me some time
