

Twisted Sister, Pay The Price

(D. Snider)

You and I, we lit the fire
We build it, baby, my desire
But now you say I overdo it
Be careful, baby, don't make me choose it

(CHORUS:)

Oh, always, oh, always gotta pay the price
Oughta hear who'd love for free
Gotta pay the price
Oh, pay the price for loving me, yeah

I need your love to be a man
But oh lord, honey, you don't understand, no
But both our lives have just begun
I just can't trade these two for one

(REPEAT CHORUS)

Ah, for love of me, yeah

(Solo - Eddie)

Oh, you and I, we lit the fire
We build it, baby, my desire
You want me to be your lover
Well, now you start to pay, there'll be no other

(REPEAT CHORUS 2x)

Ah, for love of me, yeah
