

# Twisted Sister, Tonight

(words & music: D. Snider)

Tonight

Are you ready for a hard time, are you ready for the ball to top 'em all  
Are you ready for the long ride, are you ready for the rise before a fall  
Are you ready for the big game, are you ready for the coup de tat, et al  
Are you ready for the long train, are you ready for the final curtain call  
Well, we're gonna kill 'em, gonna stomp 'em tonight  
Yeah, we're gonna thrill 'em, gonna do 'em up right  
Oh, we're gonna take 'em, gonna give 'em a fright  
Tonight, tonight, tonight, tonight

CHORUS:

Tonight, tonight, we're gonna lose control  
Tonight, tonight, we're gonna have you all  
Tonight, tonight, you're gonna beg for more  
Tonight, tonight

Tonight

Did you come to see the bad boys, did you come to watch us shake, rattle and roll  
Did you come to hear us make noise, did you come to see us put it in the hole  
Do you know that it's the right time, do you know that it's the time to lose your mind  
Do you know that it's not a crime if you're bending all the rules that you can find  
Well, we're gonna break 'em, gonna make 'em tonight  
Yeah, we're gonna push 'em, gonna go for the light  
Oh, we're gonna stroke 'em, gonna do it all night  
Tonight, tonight, tonight, tonight

REPEAT CHORUS

Solo - Eddie

Well, we're gonna kill 'em, gonna stomp 'em tonight  
Yeah, we're gonna thrill 'em, gonna do 'em up right  
Oh, we're gonna take 'em, gonna give 'em a fright  
Tonight, tonight, tonight, tonight

REPEAT CHORUS (twice)

Tonight

Did you come to see the bad boys
