

Twisted Sister, You're Not Alone (Suzette's Song)

Can't seem to show you how much I care
Can't seem to prove it, you're so unaware
How much I need you, I try to show
I'm always with you and I love you so
Believe me when I try to say
I'll never, never go away
Oh, can't you see

CHORUS:

You're not alone
You're not alone
You're not alone
Baby you have me

The lonely hours of unspoken pain
Seems like a lifetime of endless rain
In my confusion I never find
The words to tell you that you're in my mind
So, let me try to find a way
To do the things I wanna say
Oh, can't you see

REPEAT CHORUS

Solo - Eddie

My dream, my heart, my hope, my way
We'll stand together all our days
Oh, stay with me

You're not alone
You're not alone
You're not alone

You're not alone (we'll care, never, never alone)
You're not alone (oh please, please, you)
You're not alone (we'll stay together all along)
You're not alone (never, never, never go)
You're not alone (you're not alone)
You're not alone (I need it now)
You're not alone (I need it now)
You're not alone (ooh)
You're not alone (ooh)
