

# Twisted Sister, You Want What We Got

I know what you want  
You want what we got  
I know what you want  
You want what we got

Sometimes you drive me mad  
With the things you say and do  
You act like we're so bad  
Well, I got a message for you  
You don't fool anyone  
With your jealousy  
You want it all and give us none  
That ain't the way it's gonna be

I know what you want  
You want what we got  
I know what you want  
You want what we got

Checkmate we named your tune  
Don't give me no alibis  
We burst your red balloon  
Maybe now you realize  
When you laugh and put us down  
You're tryin' to cover up your fears  
Just like a circus clown  
It's just a mask, just a mask to hide your tears

I know what you want  
You want what we got  
I know what you want  
You want what we got

You want it  
We got it  
We got it  
You don't  
You want it  
We got it  
We got it  
You won't  
You want it  
We got it  
We got it  
You don't  
You want it  
We got it  
We got it  
You won't

I know what you want  
You want what we got  
I know what you want  
You want what we got  
I know what you want  
You want what we got  
I know what you want  
You want what we got  
I know what you want  
You want it  
You want what we got  
We got it  
I know what you want  
You want it

You want what we got  
You know what I got  
I got what they got  
You want what I got  
They want what we got
