

Two Tongues, Back Against The Wall

The first time I saw you
Back against the wall
I knew we would make it
Yeah we could have it all
I told you before boy
You know I like your style
And I ain't going nowhere
Lets breathe it out for a while
Alright
Alright
Come on
Alright
Alright, come on
Alright
Come on
You're all that I wanted
But you just don't care
And now that we parted
I need to feel you here
The blood and the blister
Yeah we were set to burst
I'm forever within you
You know it could be worse
Come on
Alright
Come on
Alright
Alright, come on
Alright
Come on
Alright
Come on
Alright, come on
Alright
Alright
Alright, come on
Alright
Come on
Alright
Alright, come on
Alright
Come on
Alright
Alright, come on
