

# Two Tongues, Don't You Want To Come Home

She said that she loved me  
She said that she cared  
And then she turned and walked away from you  
Like you weren't even there  
I sent her those letters  
On a faded photograph  
She said she didn't want to hear from you  
She said she wished she could forget  
Don't you want to come home?  
Don't you want to come home?  
Don't you want to come home?  
I've nothing to give you  
But you're all that I need  
You're empty, broken, bleeding, blinded  
You're lost but now you're here with me  
Don't you want to come home?  
Don't you want to come home?  
Don't you want to come home with me tonight?  
Its alright  
Don't you want to come home?  
Yeah don't you want to come home?  
Don't you want to come home with me tonight?  
Its alright
