

Ty Dolla \$ign, Motion

Something takes a hold now when we're dancing
Bodies round us caught up in the wave
Sometimes it's like playin round with magic
Let it take you let it take you all the way
Come from on high
Won't let me go
Vibe
Start feelin so
Right
It's takin control
That's when I get my motion
That's when I get my motion
Our bodies in the moment
That's when I get my motion
That's when I get my motion
That's when I get my motion
That's when I get my motion
That's when I get my motion
Our bodies in the moment
That's when I get my motion
That's when I get my motion
That's when I get my
Something takes over when we dancing
Bodies round us caught up in the wave
Sometimes it's like playin round with magic
Let it take you let it take you all the way
