

Ty England, All Of The Above

I made you a list you can choose from
To let me know what you want from me
All you have to do is to choose one
It's as simple as ABC
I could be

A) lover
B) true
C) no one else but you
And if those choices aren't enough
I could be
D) devoted
E) eternally to your love
Or how about all of the above

Any choice you make is the right one
But if indecision has got you stressed

I think I would go for the last one
'Cause that one covers your bases best
I could be

A) lover
B) true
C) no one else but you
And if those choices aren't enough
I could be
D) devoted
E) eternally to your love
Or how about all of the above

This is the one time
No matter how you can choose
You can't lose
