

# Ty England, Irresistible You

All day long at the factory  
I can't do my job  
It's not at all like me  
Counting minutes on the clock  
I walk around my guard down  
Like a love sick fool  
All because of mystical sweet little kissable  
Irresistible you

I've lost all my self control  
I'm like someone I don't know  
One taste of your sweet lips  
And I just can't help myself  
Girl you got me where you want me  
I'm where I wanna be too  
All because of mystical sweet little kissable  
Irresistible you

I vowed I'd never take another chance  
With this heart of mine  
I'd have no part of romance  
After being burned last time  
Now here I am my guard down  
Like I swore I wouldn't do

All because of mystical sweet little kissable  
Irresistible you

I've lost all my self control  
I'm like someone I don't know  
One taste of your sweet lips  
And I just can't help myself  
Girl you got me where you want me  
I'm where I wanna be too  
All because of mystical sweet little kissable  
Irresistible you

I've lost all my self control  
I'm like someone I don't know  
One taste of your sweet lips  
And I just can't help myself  
Girl you got me where you want me  
I'm where I wanna be too  
All because of mystical sweet little kissable  
Irresistible you

All because of mystical sweet little kissable  
Irresistible you
