

Ty England, Two Ways To Fall

Hey heart I'm falling in love
The writing's on the wall
This time try to remember
There's two ways too fall

I've fallin' in, I've fallen out
I've had days when I've had my doubts
Thought it was something
I could do without
But here I go again

Hey heart I'm falling in love
The writing's on the wall
This time try to remember
There's two ways too fall
A first kiss, a last goodbye

A time to laugh and a time to cry
It's no secret after all
There's two ways to fall

I guess you saw us holding hands
Heard me mention the word romance
Yeah, I know, I'm taking a chance
But here I go again

Hey heart I'm falling in love
The writing's on the wall
This time try to remember
There's two ways too fall

It's no secret after all
There's two ways to fall
