

Ty Herndon, Big Time Dreamer

You may not know it now

But you and I were meant to be

Why I are you so afraid

Of a little destiny

If I had to wait to turn your heart around

Patience is a virtue that's been handed down

Chorus

I'm the son of a big time dreamer

That's where I get my dreamin' from

Daddy was a firm believer in the power of love

You say I'm crazy to fall for you

That's what my mama told my daddy too

I'm the son of a big time dreamer

Baby make my dreams come true

I guess it's in my bones

I guess it's in my blood

I'm a romantic fool

Like my father's father was

Remember back in school we learned what Einstein said

It's all relative

Repeat Chorus

Bridge

The way I feel for you it isn't hard to see

The apple doesn't fall far from the family tree

Repeat Chorus
