

# Ty Herndon, Her Heart Is Only Human

She's one in a million  
I've heard that a million times  
The odds were less than  
Even she'd be mine

How many times does a dream come true  
Come into your life  
I can't believe the way she makes me feel  
I have to pinch myself to know it's real

Chorus:  
A touch so soft, a smile so sweet  
She's so much like an angel  
she's heavenly  
She's as perfect as anyone can be  
But her heart is only human  
Guess that's why she's loving me

She could've had anyone she wanted  
But still she wanted me  
I do my best to give her what she needs  
I thank my lucky stars above  
That I'm the one she loves  
So many men will never find their way  
To what I wake up looking forward to each day

Chorus

Bridge:  
God never made a more down to earth girl  
But the love she gives me takes me  
Right out of this world

She's as perfect as anyone can be  
But her heart is only human  
Guess that's why she's loving me
