

# Ty Herndon, I Have To Surrender

All Of My Life I Fought Hard For The Things I Have Wanted  
Caught Up In Blindly Believing The Strongest Survive  
But Here In Your Eyes I See Everything  
I Ever Dreamed Of And I Am Afraid  
If I Rush In, If I Move In Too Fast  
I Just Might Frighten My One Chance Away

Chorus

It's Easy To Be Strong, I've Done It For So Long  
But This Time I Have To Remember  
This Time To Get What I Want, I Have To Surrender  
Here I Stand Helplessly Willing And Waiting For Your Love  
When Want Became Need My Heart Had No Choice At All  
What Will You Do Now, It's Up To You Now  
It's So Hard To Wait But I Will  
God Give Me Wisdom, God Give Me The Strength  
And The Courage To Simply Stand Still

Chorus

It's Easy To Be Strong, I've Done It For So Long  
But This Time I Have To Remember  
This Time To Get What I Want, I Have To Surrender

Bridge

Here I Am Take Me, Somehow You Saved Me  
From A Lifetime Of Not Being All Love Could Make Me

Chorus

It's Easy To Be Strong, I've Done It For So Long  
But This Time I Have To Remember  
This Time To Get What I Want, This Time I Have To Be Tender  
This Time To Get What I Need, I Have To Surrender
