

# Ty Herndon, Love Don't Work That Way

(Tony Haselden/Stan Munsey, Jr./Shane Sutton)

I've Got A Friend All Caught Up In Keepin' Up With Mr. Jones  
So High Up That Ladder He Can't See  
His Wife Left Him Three Weeks Ago, He Don't Even Know She's Gone  
Hey, Buddy, If You're Askin' Me

Love Don't Work, Love Won't Work That Way  
It's A Two Heart Assembly Line  
Workin' Nights And Overtime Day After Day  
Code-A-Phone Apologies Can't Fill A Woman's Needs  
Can't Take A Lover's Place  
Love Don't Work, Love Won't Work That Way

I Used To Work Eight Hour Weeks, Trying To Buy The Best For Her  
Workin My Life....Workin' Her Love Away  
But She Met Me At The Door One Night And Threw My Heart A Curve  
All She Had To Say

Love Don't Work, Love Won't Work That Way  
It's A Two Heart Assembly Line  
Workin' Nights And Overtime Day After Day  
Code-A-Phone Apologies Can't Fill A Woman's Needs  
Can't Take A Lover's Place  
Love Don't Work, Love Won't Work That Way
