

# Ty Herndon, Returning The Faith

I pulled on  
The highway  
Another day for the wanderer

I knew something  
Was out there  
Around the corner from where we were

You could have  
Cut and run  
Straight back to Tennessee

But you stood true  
A real rock  
And never doubted me

Chorus:  
I will be there  
Any time you need me to  
As much as you believed in me

I'm returning the faith to you  
I'm returning the faith to you

You held me  
With a sure hand  
You gave love every step of the way

If it takes me  
Forever  
I'll give back everything that you gave

Repeat Chorus

Bridge:  
You saved me, now baby  
I wanna do a little something  
for you

Repeat Chorus
