## Ty Herndon, Returning The Faith

I pulled on The highway Another day for the wanderer

I knew something Was out there Around the corner from where we were

You could have Cut and run Straight back to Tennessee

But you stood true A real rock And never doubted me

Chorus: I will be there Any time you need me to As much as you believed in me

I'm returning the faith to you I'm returning the faith to you

You held me With a sure hand You gave love every step of the way

If it takes me Forever I'll give back everything that you gave

Repeat Chorus

Bridge: You saved me, now baby I wanna do a little something for you

Repeat Chorus
