

# Tydis, Breathe

I can feel in the air the way you move.

Took me, baby

Whatever ya need, Im willin to please

I give it to you, whatever you gonna do

we need to take the time to make you mine

and Ill do that \*\*\*\* girl not havin \*\*\*\*

A girl like you, can do what you do

Whatever ya did girl, it blow me away

I never hesitate to

Breathe

Mommy, shorty, I like it

wontcha tell me to tell breathe

You need to know that your, suddenly my life support

Breathe

Mommy, shorty, I like it

wontcha tell me to tell breathe

Shorty is sustaining me, I can do incredible things

I can live the water now

I can flow in and out of space

Every since you put me down and supplied your name

Inhale, Exhale, Breathe

I come to life when Im breathin your love.

Hey girl, Im feelin emotions, gettin closer to you

Whatever ya do, Im makin the move, Im feeling your groove

Someone like you girl, you make feel,

like, like

whatever you did to make me feel

like, like

something boutcha girl, to make me feel

like, like

you took my breath away, from the first time I had saw you today

girl you make it hard to

Breathe

Mommy, shorty, I like it

wontcha tell me to tell breathe

You need to know that your, suddenly my life support

Breathe

Mommy, shorty, I like it

wontcha tell me to tell breathe

Shorty is sustaining me, I can do incredible things

I can live the water now

I can flow in and out of space

Every since you put me down and supplied your name

Inhale, Exhale, Breathe

I come to life when Im breathin your love.

Breathe (beat boxing starts)

Shorty I like it

The way you put it

Girl I dont really breathe

Shorty I like it

the way put it

it makes me Ahh, breathe

You know how we do, I should be somewhere with you

The way we feel when we breathe, baby girl, cant you see

It makes have to tell the truth, girl you really sexy cool

the way you breathe, the way you do it, its makes me Ahh

You know how we do girl, I should be somewhere with you

The way we feel when we breathe, baby girl, cant you see

It makes me, have to tell the truth, girl you really sexy cool

Ohh Ohh Ohh Ohh

Its makes me Ahh

Breathe

Mommy, shorty, I like it

wontcha tell me to tell breathe

You need to know that your, suddenly my life support  
Breathe  
Mommy, shorty, I like it  
wontcha tell me to tell breathe  
Shorty is sustaining me, I can do incredible things  
I can live the water now  
I can flow in and out of space  
Every since you put me down and supplied your name  
Inhale, Exhale, Breathe  
I come to life when Im breathin your love.  
more of first part of chorus  
inhale, exhale, your love  
shorty I like it, it makes me Ahh.  
inhale, exhale, your touch  
shorty I like it, it makes me Ahh.
