

# Tye Tribbett & GA, My Joy

You were there to wrap your arms around me  
When my nights were cold and lonely  
And when I needed shelter from the rain  
All I had to do was call your name  
You never let me down you're always there  
You told me all my burdens you will bear  
Never truly understand your ways  
But I understand you love me and for this I want to say

You are my joy  
You are my joy

It's because if you I smile right in my storm  
Your strength is perfect when I'm weak and worn  
Thank you for the love you give to me  
Thank you for your grace and mercy  
When all of these trials should make me sad  
I will rejoice for  
You have made me glad

You are my joy You are my joy  
You are my joy You are my joy  
You are my joy You are my joy
