

Tyga, Megan Thee Stallion, FREAK

yeah please
I need a freak, freak
huh,
mustard on the beat

I need a freak, freak , freak
to rub my hair, hair, hair
I need a freak every day at a week
put the legs in the air
put the legs in the air
I wanna a freak, freak , freak
freak who just don't care, care, care
I need a freak wit' a big ass butt
make all the niggas stare
all the niggas starin'

I need a freak, baounce to the beat
freak ho, tell me what to eat
freak girl, tell me me where to sleep
swallow on the meat
tell me if it's sweet
I like a freak , do it in the car lit, cim on the sit
do it in the dark, I don't even wanna see
open up ur door , I got a big ass key
like a freak tho' baby bend your knees
so nice , make her say please
like a lolly, lick it 'till it's clean
she look at me said, Baby, what you mean?

I need a freak, freak , freak
to rub my hair, hair, hair
I need a freak every day at a week
put the legs in the air
put the legs in the air
I wanna a freak, freak , freak
freak who just don't care, care, care
I need a freak wit' a big ass butt
make all the niggas stare
all the niggas starin'
