

# Tygers Of Pan Tang, Crazy Nights

The bright lights shine on me  
I give to give and to receive  
Enter the promised land  
Watch my every move  
Oh, you should know  
That I'm in your hand

Crazy nights fever's on  
Crazy nights fever's strong  
Crazy nights fever's on  
Crazy nights I know what you want  
Crazy nights fever's on  
Crazy nights fever's strong  
Crazy nights fever's on  
Crazy nights you know what I want  
(Oh yeah)

I wanna push you over the edge  
I wanna make you sit up and beg  
I wanna see, see you sweat  
Come on right now  
Show us what we're gonna get

Crazy nights fever's on  
Crazy nights fever's strong  
Crazy nights fever's on  
Crazy nights you know what I want

After all, you came to the show  
So get an upper before you go  
And don't dare hold it back  
'Cause we don't need nor want any of that

Crazy nights you're a crazy love  
Crazy nights how long can you rock?  
Crazy nights I saw you walk in and shout  
Crazy nights I wanna see you crawl out
