

Tyler Hilton, Meant Something To Me

Well a kiss might be just a kiss to you,
But baby it meant something to me.
And a night to remember might be
Just a Monday in September,
Baby it meant something to me.

I know you try.
It's gotta come from the heart.
I know I believe it's the hardest part of love

And cause you can remember
The 22nd day in November,
Baby you mean something to me.

I know you try.
Baby it's gotta come from the heart.
Well I know I believe it's the hardest part of love.

And a kiss might be just a kiss to you.
Baby it meant something,
Or maybe it meant nothing.
But baby it meant something to me.
