

# Tyler Hilton, When The Stars Go Blue

Dancin' where the stars go blue  
Dancin' where the evening fell  
Dancin' in my wooden shoes  
In a wedding gown

Dancin' out on 7th street  
Dancin' through the underground  
Dancin' little marionette  
Are you happy now?

Where do you go when you're lonely  
Where do you go when you're blue  
Where do you go when you're lonely  
I'll follow you  
When the stars go blue  
When the stars go blue

Laughing with your pretty mouth  
Laughing with your broken eyes  
Laughing with your lover's tongue

In a lullaby

(x2)  
Where do you go when you're lonely  
Where do you go when you're blue  
Where do you go when you're lonely  
I'll follow you  
When the stars go blue  
The stars go blue, stars go blue

Follow you  
Follow you

When the stars go blue  
When the stars go blue  
When the stars go blue  
When the stars go blue

Where do you go when you're lonely?  
Where do you go when the stars go blue?
