

Tyler Kyte, Soft Spoken ft. Alexz Johnson

Tyler:

Well Im here,
and in you come,
And Im trying all it on.
Well Im here,
Im trying to soak in
All the cool dry air alone.

Both:

Well Im here.
And Im not smoking.
And Ill be leaving with a picture.
Soft spoken

Both:

Well I can see the rivers frozen,
All the long roads track and gone.
And I believe that somethings watching
So keep your eyes right on the road.

Well Im here,
And Im not broken.
And Ill be leaving with an image,
Soft spoken
So see the soft spoken words alive,
And believe the cold tired shelter dive.

Ohh, ohh ohh, ohh ohh

Well Im here,
and in you come,
And Im trying all it on.

Well Im here,
Trying to soak in
All the cool dry air alone.

Well Im here,
And Im not smoking.
And Ill be leaving with a picture,
Soft spoken

So see the soft spoken words alive,
Believe the cold tired shelter dive.
