Got a problem with the golf? fuck it then pick a spot like you're eating lunch and its brunch we could bring the beef and the pots and the pans fuck it we could bring a lot

I just want to know if you can come and suck a dick or not?

hit her up pick her up

in the front seat of my two seater vehicle hit the crib grab the cuffs take pictures of her butt where's your mouth open up

I just want to know if you can come and suck a dick or what

the fuck am I yapping about? it don't matter, I'm the one, hun T is the sun and you're saturn

better stop with all of the chit chatter bitch i'm the tongue i go dumb

like the mental handicaps in the house y'all kiss butt

like a nap on the couch

T the shit, I'm the weird little BLAH in your mouth you better brush like Hova shoulder told you boys it never stop

I just want to know if you gon come and suck a dick or not?
