

# Tyler, The Creator, Yonkers

I'm a fucking walking paradox, no I'm not  
Threesomes with a fucking triceratops, Reptar  
Rapping as I'm mocking deaf rock stars  
Wearing synthetic wigs made of Anwar's dreadlocks  
Bedrock, harder than a motherfucking Flintstone  
Making crack rocks out of pussy nigga fishbones  
This nigga Jasper trying to get grown  
About 5'7" of his bitches in my bedroom  
Swallow the cinnamon, I'm a scribble this sin and shit  
While Syd is telling me that she's been getting intimate with men  
(Syd, shut the fuck up) Here's the number to my therapist  
(Shit) You tell him all your problems, he's fucking awesome with listening

Jesus called, he said he's sick of the disses  
I told him to quit bitching, this isn't a fucking hotline  
For a fucking shrink, sheesh, I already got mine  
And he's not fucking working, I think I'm wasting my damn time  
I'm clocking three past six and going postal  
This the revenge of the dicks, that's nine cocks that cock nines  
This ain't no V Tech shit or Columbine  
But after bowling, I went home for some damn Adventure Time  
(What'd you do?) I slipped myself some pink Xannies  
And danced around the house in all-over print panties  
My mom's gone, that fucking broad will never understand me  
I'm not gay, I just wanna boogie to some Marvin  
(What you think of Hayley Williams?) Fuck her, Wolf Haley robbing 'em  
I'll crash that fucking airplane that that faggot nigga B.o.B is in  
And stab Bruno Mars in his goddamn esophagus  
And won't stop until the cops come in  
I'm an over achiever, so how about I start a team of leaders  
And pick up Stevie Wonder to be the wide receiver?  
Green paper, gold teeth and pregnant golden retrievers  
All I want, fuck money, diamonds and bitches, don't need them  
But where the fat ones at? I got something to feed 'em  
It's some cooking books, the black kids never wanted to read 'em  
Snap back, green ch-ch-chia fucking leaves  
It's been a couple months, and Tina still ain't perm her fucking weave, damn

They say success is the best revenge  
So I beat DeShay up with the stack of magazines I'm in  
Oh, not again! Another critic writing report  
I'm stabbing any blogging faggot hipster with a Pitchfork  
Still suicidal I am  
I'm Wolf, Tyler put this fucking knife in my hand  
I'm Wolf, Ace gon' put that fucking hole in my head  
And I'm Wolf, that was me who shoved a cock in your bitch  
(What the fuck, man?) Fuck the fame and all the hype, G  
I just want to know if my father would ever like me  
But I don't give a fuck, so he's probably just like me  
A motherfuckin' Goblin  
(Fuck everything, man) That's what my conscience said  
Then it bunny hopped off my shoulder, now my conscience dead  
Now the only guidance that I had is splattered on cement  
Actions speak louder than words, let me try this shit, dead
