

# Tymes 4, New Day

It's a new day

Every morning when I wake  
There's a smile on my face  
I know today is gonna make me feel alright

Got no worries on my mind  
Cause I left them all behind  
This feeling is gonna carry on into the night, night, night

Chorus:  
It's a new day (2x)  
Got a new way  
Everybody sing with me  
It's a new day (2x)  
Got a new way  
Everybody sing it with me

Can't wait to step outside  
Cause I feel the vibe is right  
My friends are waiting, gonna hit the town tonight

Cause they look real fine  
They're having real good time  
This feeling gonna carry on into the night, night, night

Chorus:  
It's a new day (2x)  
Got a new way  
Everybody sing with me  
It's a new day (2x)  
Got a new way  
Everybody sing it with me 2x

It's a new day (2x)  
Long into the night, night, night

Chorus:  
It's a new day (2x)  
Got a new way  
Everybody sing with me  
It's a new day (2x)  
Got a new way  
Everybody sing it with me 3x
